

Living our Faith

The Living Our Faith series is for Uniting Church members who would like to become Lay Preachers, or who would like to investigate their faith in a systematic way.

The series begins with a one-day introduction to Worship in the Uniting Church in Australia, and includes a two-day course on Living Our Values. The other four courses are each run over two weekends and look at the Old and New Testaments, Theology and Proclaiming Jesus Christ.

For those studying to become Lay Preachers, all six courses should be completed, and can be studied in any order. The courses are all offered over a two year period.

Participants have gone on to complete their Lay Preachers' qualifications, or have become Lay Presiders. Some have continued on with more formal training in theology, biblical studies and pastoral care.

The courses in this series are run twice a year; once at the Centre for Ministry in North Parramatta, and we are also pleased to provide one delivered outside the metropolitan area. It is possible for participants to join these courses via Skype or other video connections.

Introduction to Worship	Feb 17 & July 21 @ CFM
