

**FELLOWSHIP HYMN**  
Tune: Diademata, TiS 228 (AHB 163)

**Come, let us all rejoice  
That God has called us here  
To give more glory to His name  
With every passing year.  
He is the King of Kings  
And rich is fellowship  
When all as one we offer praise  
Our hearts with gladness leap.**

**Come, let us all confess  
Much we have left undone,  
The prayers unsaid, the task postponed  
Our race so poorly run.  
Lord, grant us strength renewed  
And purpose stronger grown  
That we may know and surely feel  
That we are not alone.**

**Come, let us give thanks  
For Jesus Christ, God's Son  
Grant that all fellowship we claim  
May be with Him begun.  
Thanks for our well-loved friends  
For tasks His grace assigned  
For joy we have in serving Him  
For mind that shares with mind.**

**Come, let us pledge anew  
Our time, our strength, our gifts  
And as we serve, so every power  
His mightier power lifts.  
To live and seek the lost  
To know and serve His will  
This task is ours till life shall cease,  
And then to serve Him still.**
